**SUPERVISOR HANSBERGER APPOINTS
PAUL TERRY TO THE SUGARLOAF ROAD COMMISSION**

Supervisor Hansberger has appointed Paul Terry to the Sugarloaf Road Advisory Commission (County Service Area 70, R-05). Mr. Terry will fill the vacancy left by Bob Cartwright's untimely passing, and will serve the remainder of Mr. Cartwright's unexpired term, until January 31, 2009.

Mr. Terry and his wife Ruth have been property owners in Sugarloaf since 1970 and became full-time residents in 1981. Mr. Terry served as a board member on the Sugarloaf Road District when it was first formed in July of 1980. Mr. Terry was also a member and president of the Sugarloaf Property Owner's Association for seventeen years.

"Paul has been a long-time resident in Sugarloaf," said Hansberger. "He will be a great addition to Sugarloaf's Road Commission, with a background in finance and years of community service."

Mr. Terry hopes to educate Sugarloaf property owners about the road district's current financial situation and the costs associated with road maintenance and improvements. He has a Bachelors of Science in Business Administration and has worked for a number of years as an accountant and assistant controller at General Motors. He was also employed as the chief financial officer and later as the administrator at Bear Valley Hospital District.
